

## **Alternate Version of Word Cloud from June 11, 2020**

A word cloud is an image of a list of words. Words are placed with the words that were submitted the most often in a larger font than the other entries. This word cloud is based on the question: Think about a personal goal and express it in one word.

Our youth developed a long list of words. Here are the words in order of most received to least submitted responses from June 11, 2020:
