Director's Report / Update (Ian): sent via email – Jeremiah confirmed for 6/8

Jeremiah is finishing up a bunch of EOY choreo camps, but is checking his schedule about 6/8. There is an idea to do in person auditions that same day in conjunction with virtual. We are still workshopping that idea.

Mads audition and list will hopefully be finalized by Friday EOD. I will send communication to parents including the mass volunteering requirements.

Wondering if we might set up a BOY meet and greet/ mixer deal at health hang out again in August? Good to build community and meet parents etc.

Pops concert is going well. We will start at 6:30 to accommodate senior solos.

Physical lettering certificates coming soon.

EOY trip to can can wonderland was a big success, as was the banquet!

I am making it a point to be present at more meetings going forward, scheduling today did not work due to puppy sickness.

I've reviewed the document with Chris Lindquist and saw some answers written but not to all questions. He did request a meeting sometime next week.

- Auditions for next year (dates)
- Madrigals – parent contract / volunteer discount?
- Status Show Choir – Application sent to school. Meeting to answer questions about Community Education
