Enrichment Scholarship Application

Dear Parents and Guardians,

The Cordero PS 37 PTA has a **limited** number of **need based** scholarships available for students to attend Cordero PTA Enrichment classes free of charge. These after-school Enrichment classes are held at Cordero one day a week for 10 weeks, from March 10th, 2025 through June 2nd, 2025.

You can read more about the Enrichment Program here: www.ps37pta.org/enrichment

Please review and complete this application if you and your child have interest in applying for the scholarship program. Scholarships will be chosen and allocated to students who have an interest in the topic. We ask that if you do participate, you agree to **full** commitment that your child will attend all of the classes to complete the class program.

Parents/guardians who wish to have their children participate in Enrichment programs do need to be a member of the PTA, which involves a \$10 membership fee. You can sign up to become a member here: www.ps37pta.org. If this fee would be of financial hardship for you, please reach out to enrichment@ps37pta.org to receive assistance.

The deadline for the students and parents/guardians to complete the application is Saturday, February 15th, 2025. A printable version is provided below. Please provide completed scholarship forms to the main office or email to enrichment@ps37pta.org (subject line: Enrichment Scholarship Application); A digital option is also available at <https://forms.gle/4vTGMsy3jvYh7hpu8>. We will collect them for our review and consideration.

Please email enrichment@ps37pta.org with any questions.
