

Dear Students and Parents,

We want to welcome you to the Patrick Henry High School Summer School academic program. Summer school begins this Thursday, June 4th and runs until Thursday, July 2nd *June 19th is a holiday, so there is no school.* This summer there is one session that runs for a total of 20 days to remediate up to 4 courses (4 credits).

Beginning June 3, 2026, at 4:00 pm, students will be able to see their summer school courses in Summer PowerSchool using their student login. Students should use this link to login to the summer portal: [Summer School Power School link](#). Student login information is the same as what they use to log into their chrome books and PowerSchool during the regular school year. Students will need to bring their fully charged chrome books each day.

**ATTENDANCE:** Being present and on time is very important. General Ed students who miss a class more than two days will be dropped from their course. Multiple tardies can equate to an absence.

Breakfast is available starting at 9am before classes begin at 9:30 AM. Grab and go lunch is available at the end of each day. View the [Bell Schedule](#) for specific times. Students only need to attend the number of periods on their summer school schedule.

We look forward to seeing you Thursday, June 4th.

Sincerely ,  
Henry Summer School Team
