Dear Deputy Premier Jones/Minister of Health,

Subject: Urgent Appeal Against the Closure of CTS Sites in Ontario

I am writing to you as a client of the CTS Site in Kitchener, Ontario and as a representative voice for the countless Ontarians who depend on Consumption and Treatment Services (CTS) sites for their survival and well-being. The recent decision to close these vital facilities is not only deeply troubling but profoundly unjust. I urge you to reconsider this decision and address the severe repercussions it will have on our community.

[illegible]

I request an immediate reversal of this decision to close CTS sites in Ontario. It is crucial that you hear firsthand from those who will be most affected by these closures. We need to find solutions that support our community rather than abandon it.

Sincerely,
