Provide Greater Access to STEM Education to All Students

Colin P.

**Tutor
San Antonio Math Include**

Colin is part of the Class of 2025 at UT Dallas. He has a passion for math but enjoys physics too. His favorite subject in school is Multi-variable Calculus. Colin has placed in math and science at UIL state academic competitions for both high school and middle school the last 4 years. He enjoys solving the Trinity University Problem of the Week, which is designed to prepare students for the Putnam Exam, and competes in National Science Bowl. He has been to Science Bowl nationals three times in middle school. He also enjoys tutoring and helping people, especially in math, which is why he is involved in San Antonio Math Include and tutors every Friday at Basis. He is also a Webmaster for SaMi and helps edit the website.
