Merit Academy

Spring 2027 Concurrent Enrollment Courses

Provider	Course	Teacher/Professor	CRN	Pre-requisites/Description
Merit Academy	UVU Introduction to Writing (ENG2010) need new update/ CRN	Ashley Clawson	CRN: 40844	This is the standard freshman English course. This course has the following prerequisites: • Complete the 10th and 11th grade Language Arts requirement with B average. • Have an ACT score of 19 or higher in English AND Reading. • You can substitute ACT scores with a UVU *Accuplacer Reading and Sentence Skills* test. You can schedule an appointment to take the Accuplacer test through the UVU Testing Center
	UVU Public Speaking (COMM1020)	Ashley Clawson	CRN: 42155	If you want a superpower, this is a great place to start! This will help you develop competence and confidence in how you present yourself and speak in public. It will also build your critical thinking skills as you strategize how to present ideas for the greatest impact.
	UVU College Algebra (MATH1050) need new update/ CRN	Tiffany Cosby-Johnson	CRN: 37179	This course has the following pre-requisites: • Complete Math 1010 with a C or higher. • You have an ACT score of 23 or higher in Math
	Government (POLS1100)	Rachel Barlow	CRN: 42158	This is your high school government class on steroids. You will learn the foundations of American government and explore how the political process works. The

				course covers our nation's political structures (legislative, executive, judicial, and bureaucratic), behaviors (interest group activity, public opinion, participation in campaigns and elections), and processes (democracy, conflict, power) through which we are governed. This course fulfills the high school Government class requirement for graduation.
	Music Theory (MUSC1110) need new update/ CRN	Dr. Glenn Hicks	CRN: See Instructor	Professor approval. Students must have a basic knowledge of music theory, scales, time signatures, notes, and reading music.
	Student Leadership and Success (SLSS 1000)	Kristi Gilbert/ Nicole Barney	CRN: 42157	This course is required for all new students who want to take live interactive or online UVU courses. The class focuses on building the skills students need to successfully navigate college academics. We will work on identifying learning strengths and weaknesses, building academic ownership and self-reliance, and identifying and accessing resources for academic support. Students will also learn how to utilize campus resources such as using UVU library resources for academic research. Seniors should take this class in the fall (1st semester) to assist them with college applications. Juniors should take this class in the Spring (2nd semester) to assist with taking the ACT and thinking about College in the upcoming Fall.

	Personal Finance (FIN 1060)	Karly Miraglia	CRN: 42156	Designed as credit toward a business degree and for individuals interested in acquiring personal financial planning skills. It covers personal financial management with emphasis on decision making,budgeting, financial institutions, personal and family risk management, credit management, and estate planning. This course fulfills the high school Financial Literacy requirement for graduation.
	E-Commerce Techniques for Small Businesses (IM 1000)	Karly Miraglia	CRN: 39513	This course introduces strategies and best practices for analyzing an online business in the following areas. Branding, Style Guides, Buyer Personas, Leveraging Content, Content trends, Buyer's Journey, Search Engine Optimization (SEO), Key Performance Indicators (KPI), Improving the User Experience, Paid and Organic Ads, A/B testing, Artificial Intelligence, Public Relations and Outreach, and working with clients for an online business.
