

## **GPS Navigation Privacy Policy**

Our privacy policy helps explain our data practices, including the information we process to provide our service. We use your data to provide you with best and improved service. By using our app, you agree to all the terms and conditions regarding our privacy policy mentioned below.

### **Information We Collect**

We collect some information to operate, provide, improve, understand, customise and support you with the best of our services. The collected information may include identifiers (a real name, alias, unique personal identifier, online identifier, IP address, email address, account, username or other similar identifiers), internet or similar network activity, geological data (physical moves and location), sensory data (audio, electronic, visual, or similar information), commercial information (records of purchased products or services, or other purchasing or consuming histories) and inferences drawn from other personal information (behaviour, likes/dislikes).

### **Information You Provide**

We ask you to provide us with some information that falls under the umbrella of personal data such as your full name, mobile number, email address, current location, cookies, feedback, payment information, photographs, videos, etc. This information is collected to provide you with customised and improved service.

We also collect the usage data such as your system's Internet Protocol (IP) address, the type of browser you are using, browser version, the pages of our services you visit, the date and time of your visit, cookies and unique device identifiers. This data may also include the mobile device you are using, your unique mobile ID, your mobile operating system and other diagnostic data.

### **Third-Party Links and Services**

Our service may include third-party services. These third-parties will have access to your data only to perform the tasks on our behalf and are obligated not to disclose your data or use it for any other purposes.

If you click on any third-party link, you will be directed to their service. We strongly advise you to go through their privacy policy and terms of use before using their service. They may also collect your personal data. We have no control over their actions and will not be responsible for any issue caused by them.

### **Assignment, Change of Control and Transfer**

Your information, including personal data, may be transferred to and saved on computers located outside of your state, province, country or other governmental jurisdiction where the data protection laws may differ from those from your jurisdiction.

In the event that we are involved in a merger, acquisition, restructuring, bankruptcy, or sale of all or some of our assets, we will share your information with the successor entities or new owners in connection with the transaction in accordance with applicable data protection laws. However, in this case, we will provide notice before your personal data is transferred and becomes subject to a different privacy policy.

### **Disclosure for Law Enforcement**

In certain cases, if requested, we may have to provide your data to the government, court or law enforcement agencies. The cases may include investigations of potential violations, fraud, any illegal activity and technical issues.

### **Security of Your Data**

We believe in protecting the rights, property and safety of our users. The security of your data is the first and foremost of our concerns. We strive to use the commercially acceptable means to protect your personal data, but anything on the internet may become a subject to a breach as nothing on the internet is 100% secure, so we cannot guarantee an absolute security of your data.

### **Parental Control**

Our app is not for children under the age of 13. Please contact us immediately if your child provides us with any of your personal data without you knowing. We promise that we will take immediate action to remove that data from our servers.

In order to use our service, you must be eighteen (18) years or older. If you are between the ages of thirteen (13) and seventeen (17) and you wish to use our service, you must have the agreement read by your parents before downloading the app. Any person under the age of thirteen (13) must not use our service. Upon downloading the app, you agree to all the terms and become legally bound to follow them.

### **Update to Privacy Policy**

We reserve the right to update or change privacy policy at any time. We will release the latest privacy policy on this page. It is your responsibility to review this page periodically to stay updated. If major changes are made to the privacy policy, we will notify you by sending you a direct notification on your email or user account. By continuing to access or use our service after those revisions apply, you agree to be bound by the modified privacy policy.

We appreciate you taking out time to read and understand our privacy policy. In case of any query or question, feel free to contact our customer support at any time.

We believe in happy users!
