SAILING INSTRUCTIONS

Amended May 17, 2024 at 1139

1. RULES:

- 1.1. The regatta will be governed by the rules as defined in *The Racing Rules of Sailing* including Appendix D, the [ISSA Procedural Rules](#) excluding Appendix 7, the [ISSA National Championship General Conditions](#), and [the Scholastic Dinghy Class Rules](#).
- 1.2. The Organizing Authority (OA) is the Interscholastic Sailing Association in conjunction with the host.
- 1.3. All races will be umpired. Rule D2 applies.
- 1.4. In rule D2.4(a), "green and white" is changed to "green and white or solid green", and, in rules D1.2(d)(1) and D2.4(c), "black and white" is changed to "black and white or solid black".
- 1.5. RRS D 1.1 (d) shall apply. "When stated in the sailing instructions, rule 20 is changed so that the following arm signals are required in addition to the hails: (1) for *room* to tack, repeatedly and clearly pointing to windward; and (2) for 'You tack', repeatedly and clearly pointing at the other boat and waving the arm to windward."

2. NOTICE TO COMPETITORS:

- 2.1. Official notices will be posted on the official notice board located on TechScore.
- 2.2. Changes to the sailing instructions shall be approved by the Chief Umpire and the ISSA representative and posted no later than one half hour prior to the first warning signal on the day it will take effect.
- 2.3. Signals made ashore will be displayed on the committee boat tied up to the dock at/or near the rotation floats. When the AP is displayed ashore, "1 minute" is replaced by "Not less than 20 minutes" in race signal AP.

3. CODE OF CONDUCT: [DP] Competitors and support persons shall comply with reasonable requests from race officials.

4. SCHEDULE AND FORMAT:

- 4.1. Report times each day are listed in the NOR.
- 4.2. The number of races each day will be determined per PR 7.1.

- 4.3. Rotation schedules and boat assignments will be posted on TechScore after the competitors' meeting.
- 4.4. The intended format is to sail a Qualifying Round using a single round-robin of all twelve teams, followed by a Championship division double round-robin including the top four schools. Schools placing fifth through eighth in the qualifying round will sail a double round-robin Silver division, and schools placing 9-12 in the qualifying round will sail a double round-robin Bronze division. All scores will carry over.
- 4.5. Appendix D4.3 (b) does not apply. No incomplete rounds will be scored, but races sailed in an incomplete round may be used as tie-breakers.
- 4.6. The intended format may be changed in accordance with ISSA PR 12.3. If it is deemed necessary to change the format, the following protocol will be consulted:
 - 4.6.1. Plan B: If only the Qualifying Round has been completed, the results will stand as the championship. If any of the subsequent round robins (Championship, Silver, or Bronze) have been completed, the results of completed round robins will stand. Results from incomplete round robins will be used in tiebreakers only. This changes ISSA PR 12.1(c).
 - 4.6.2. Plan C: If the Regatta Chair, Chief Umpire, and ISSA Representative deem that it is unmanageable to complete the Qualifying Round in the time allotted, then the regatta reverts back to the results through Race #30. At that point each school will have sailed against each of the five other schools in their predetermined divisions. Schools will be ranked 1st through 6th within each division, and one of the following Sail-off Options will be followed:
 - 4.6.2.1. Option 1: The top two schools in each division will sail a Final Four Round (single or double round-robin as time allows). If time allows, additional round robins may be sailed to determine places 5-8 and 9-12.
 - 4.6.2.2. Option 2: The top school from each division will sail off for first and second place, and then the second-place school in each division will sail off for third and fourth place. These sail-offs will be ~~best two of three~~ first to win two races. If time allows, other races to determine places 5-12 may then be scheduled.
 - 4.6.2.3. Option 3: If time and conditions do not permit any more races, the top school in each division will tie for the Championship and the second-place team from each division will tie for third place. This changes PR 12.1.
 - 4.6.3. Plan D: If the Qualifying Round has not reached race #30 and no other equitable format has been able to be completed by the end of the time limit, then the regatta is discontinued and there will be no champion for 2024.

For the purposes of establishing the boat assignments for the Qualifying Round, the seeding is as follows:
