

[Louisiana Deer 2013: Hunting Forecast](#) October 4, 2013

Outdoor Life

... “In 2012 we changed our harvest survey to include senior hunters, so the number of deer that hunters reported they harvested increased,” explained Scott Durham, deer program manager for the Louisiana Department of Wildlife and Fisheries. “But we suspect that there was actually a slight drop in the overall harvest compared to 2011.” ...the overall deer harvest in Louisiana has been trending downward. ..
