CONSENT FOR INDUSTRIAL VISIT

Dear Parents/ Guardians,
You may be aware that visiting to an industrial place is always beneficial for commerce students to understand various production and market related concepts .
Keeping this view in mind, it has been decided that the students of **Class XI & XII (Commerce)** will be taken to **Gajanan Iron Pvt. Ltd., Jamuria** on **24th November'23 (Friday).**

The cost of this industrial visit has been assessed @Rs.1,400/- per students towards the transportation, fooding, and other miscellaneous expenses.

In this regard, the Management has decided to contribute @50% of the total cost, therefore, the guardian's contribution will be Rs.700/- for her/his ward.

In this connection, we are providing a prescribed proforma for your necessary consent to enable us to conduct the visit in a smooth manner.
It is also to be noted that the **aforesaid amount (Rs.700/-) along with the consent** should be submitted to our school cash section **within 23rd November, 23 (Thursday)** failing which will lead to cancellation of your ward's participation from the tour.

Wish a Happy journey to my beloved students!
Regards,

Principal
