

Avatar/market: The avatar is someone between 26-50, teacher or parents.

The product is an interactive creative book for the children to learn in a different manner. The music genre is classical music because it has a lot of benefits for the child.

(texto de la imagen) ¡El libre albedrío te lleva al libro!

Existen nuevas formas muy EFECTIVAS para que los niños aprendan.

Aparte de la escuela, aparte de todas sus actividades educativas...

Dales algo más, algo creativo e innovador y que aparte tenga repercusiones fantásticas en el futuro.

Solo estas a un paso de que tu hijo o alumno sea irreconocible en una manera positiva

Translated (note: the original text is in spanish so it may not make the same sense):

(image text) Free will takes you to the book!

There are new, very EFFECTIVE ways for children to learn.

Apart from school, apart from all their educational activities...

Give them something more, something creative and innovative that also has fantastic repercussions in the future.

You are only one step away from your child or student being unrecognizable in a positive way
