

Gavin Weaver

Jr. UI/UX Designer

Lewiston MI, USA • (989) 370-6746 • weaverg2002@gmail.com

PORTFOLIO WEBSITE- <https://gavinweaver.framer.website/>

EXPERIENCE

Gen X Ray - Saginaw MI, USA

September 2022 - December 2022

UI/UX Designer

Designed an educational prototype app for doctors to help teach students in the classroom

Conducted user-interviews and usability studies. Developed user personas based on consumer information, created flowcharts, wireframes, low-fidelity prototypes, and high-fidelity prototypes

Cardinal Solutions - Saginaw MI, USA

September 2023 - December 2024

Product Designer and Information Architect

Designed a comprehensive user manual for a CNC Camshaft-Lobe Milling Machine, aimed at providing clear and concise instructions for machine operators and technicians.

Conducted thorough research on the machine's functionalities, specifications, and user requirements to ensure accurate and relevant content.

Incorporated user feedback and iterative testing to refine the user manual, ensuring that it met the needs of diverse user groups and skill levels.
