Hey Arno,

I've been researching a little bit about TheRealWorld, and i found your listings for Job Applications on your Website as a [Job Title], is it still available?

Best Regards

Connor

Hey Arno,

That's great to hear, but before your alarm bells go off, I'm not a headhunter, recruiter or anything else, my team and I specifically work with Solar-Company's like yours, and we have developed a system that can fill your Open Listings within 21 days with a qualified candidate.

Generally speaking, are you interested in having your spot filled within 21 days?

Best Regards

Connor
