Careful consideration should be given to course selections. You must consult the HTHS 2023-2024 Curriculum Guide (posted online on HTHS website) to review prerequisites for each course and to plan your student's schedule in accordance with graduation requirements for their respective class. The diploma type toward which the student is working should be considered, as well as past academic record.

We understand the high school requirements, and by signing this form agree that your signature will serve as a parent consent to override the recommended course prerequisites if these have not been met. See Parent Override on Back of Form. We also agree that we are aware of course selection deadlines and procedures for making changes to our requests.

We have entered course requests in PowerSchool.
