THE ROAMING HILLBILLY CELEBRATES 10 YEARS ON THE ROAD WITH EPIC ANNIVERSARY RODEO TOUR

Fan-Favorite Rodeo Entertainer Embarks on Action-Packed Nationwide Tour Celebrating a Decade of Life on the Road

January 2026 – Raymond, CA – Celebrating ten years of music, miles, and Western tradition, **The Roaming Hillbilly** marks a major career milestone with his most anticipated and unforgettable tour yet: the **"BIG 10th ANNIVERSARY" Rodeo Road Tour 2026**.

The Roaming Hillbilly is a true original who brings down-home storytelling and unmistakable Hillbilly charm to his trademark roaming performance style to over 25 rodeos and Western festivals each year. He doesn't just simply play music, he takes the music to the people –

weaving through crowds, firing up audiences, and creating unforgettable, one-of-a-kind experiences at every stop.

“What's cool about my strumming hillbilly music entertainment style, where I roam around the rodeo grounds, is I get to give personal concerts to everybody I pass,” The Roaming Hillbilly shares. “The joy of connecting face to face, there's nothing like it. Part of what makes rodeo special is the community, and in my little way I get to add to that community by sharing hillbilly joy up close and personal.”

When he’s not lighting up rodeos, The Roaming Hillbilly is a social media sensation, sharing his Western adventures, rodeo life, and signature Hillbilly shenanigans with his ever-growing audience. Posting **daily** from the road, he brings fans front and center to his travels, rodeo stops, and behind-the-scenes moments. He’s more than a performer, he’s a Western lifestyle **content creator** who embodies the heart, humor, and spirit of the rodeo road.

“I slow-roam when I travel, which lets me experience these incredible places and share them with my community, especially the followers who’ve been with me for a decade. I constantly hear how excited they are to see where I’m headed next,” he shares. “They live through my adventures. My life is my content. I’m on the road, traveling from rodeo to rodeo, exploring beautiful places, being one with nature, just all my experiences. To be able to share that with people, and then get the feedback online of people enjoying it means everything to me. I live my life to share joy.”

Tour dates and locations will be announced throughout 2026.
