

EchoHatch – What We Do

Where Ideas Hatch and Voices Echo

♦ Who We Are

EchoHatch is a media and community strategy studio helping creators, startups, and small brands build loyal audiences, manage content systems, and launch with real engagement — not just noise.

We create strategies people trust and content they actually want to engage with.

♦ What We Offer

Community Strategy + Setup

\$350 – \$750 (one-time setup)

- Platform setup (Discord, Slack, or Telegram)
- Channel layout, roles, automations, welcome system
- 7-day starter engagement calendar

>Perfect if you're building a new space or need to revive an inactive one.

Content & Media Management

\$400/month (Starter Plan)

\$750/month (Growth Plan – includes 4 reels & full engagement support)

- Custom weekly content calendar
- Branded social posts (carousels, memes, quotes, etc.)
- Captions, hashtags, and basic scheduling

>We help you stay visible, on-brand, and consistent without burning out.

Campaign & Launch Support

\$500 – \$1,200 (project-based)

- 1–2 week hype campaign strategy

- Ambassador outreach + user challenge planning
- Countdown posts, engagement tactics, and analytics

>We turn product drops and brand moments into momentum.

Plug-In Systems & Quick Builds

\$100 – \$250 each

- Custom Google Forms (onboarding, feedback, collabs)
- Linktree optimization
- Canva content template kits

>Affordable, branded tools to help you look professional immediately.

♦ How to Work With Us
