

DECOLONIZATION AROUND THE WORLD

Purpose

You're about to do a world tour of decolonization efforts, learning about events in Ghana, India, Vietnam, Nigeria, and Algeria. This chart will help you compare the methods the nations used to achieve independence, how they were impacted by global events, challenges they faced, and the extent to which they were successful.

Process

1. Review the video [Resisting Colonialism: Through a Ghanaian Lens](#) and the article, "[Making the Global Local: Comparing Decolonization in India, Vietnam, Nigeria, and Algeria](#)."
2. Complete the chart below with information about the decolonization strategies adopted by people in each country.

	Ghana	India	Vietnam	Nigeria	Algeria
Tactics used to gain independence					
Influence of global events (for example: World War II, the Cold War)					
Challenges facing the independence movement					
Outcome: How successful was the independence movement?					

DECOLONIZATION AROUND THE WORLD

3. Highlight or circle similarities in the chart.
4. Overall, does it seem like there were more similarities or differences between the decolonization movements? Why?
