We are almost at our March-a-Thon Fundraiser goal!

With **nine days left** in our fundraiser, we are about \$4,500 shy of our goal of raising **\$40,000** for the program. Please continue to share on social media, reach out to and follow up with potential donors that we contacted at the kickoff, etc.

We are so close - we just need to keep the momentum going!

Private Lesson Enrollment is open!

Our updated Private Lesson Enrollment is open and accepting submissions! The Band Boosters have allotted **\$7,000** for private lesson assistance - we look forward to seeing our enrollment percentage increase this year!

Also, for students who are currently already enrolled in private lessons, please **submit a form**. Thank you!

Remember your white shirt for Monday evening's rehearsal

Please remember to bring a white shirt for our Monday rehearsals. Student attire is at their discretion for the Wednesday, Thursday, and Friday rehearsals, but all students are expected to have a white shirt for our long rehearsal.
