

Indraprastha College for women, Univ. of Delhi

WORK PLAN (January, 2023-May, 2023)

Course Name: B.Sc.(Hons.) Mathematics

Semester: IV

Paper Code: 32351401

Paper Name: Partial Differential Equations LAB

Faculty: Ms. NIKITA MITTAL

Week	Theme/ Curriculum
1	Pointwise convergence of sequence of functions.
2	Pointwise convergence of sequence of functions.
3	Pointwise convergence of sequence of functions.
4	Pointwise convergence of sequence of functions.
5	Pointwise convergence of sequence of functions.
6	Pointwise convergence of sequence of functions.
7	Pointwise convergence of sequence of functions.
8	Uniform convergence of sequence of functions.
9	Uniform convergence of sequence of functions.
10	Uniform convergence of sequence of functions.
11	Uniform convergence of sequence of functions.
12	Uniform convergence of sequence of functions.
13	Uniform convergence of sequence of functions.
14	Uniform convergence of sequence of functions.
15	Revision.
16	Mock test.
