

Derek's Joke

Worryingly plausible!

I'm giving up pizza, or should it be facebook.

CALLER:

Is this Tony's Pizza?

FACEBOOK:

No sir, it's Facebook Pizza.

CALLER:

**I must have dialed a wrong number.
Sorry.**

FACEBOOK:

**No sir, Facebook bought Tony's
Pizza last month.**

CALLER:

OK. I would like to order a pizza.

FACEBOOK:

Do you want your usual, sir?

CALLER:

My usual? You know me?

FACEBOOK:

**According to our caller ID data sheet,
the last 12 times you called you
ordered an extra-large pizza with three
cheeses, sausage, pepperoni,**

mushrooms and meatballs on a thick crust.

CALLER:

OK! That's what I want ...

FACEBOOK:

May I suggest that this time you order a pizza with ricotta, arugula leaves, sun-dried tomatoes and olives on a whole wheat gluten-free thin crust?

CALLER:

What? I detest vegetables.

FACEBOOK:

Your cholesterol is not good, sir.

CALLER:

How the hell do you know?

FACEBOOK:

Well, we cross-referenced your home phone number with your medical records.

We have the result of your blood tests for the last 7 years.

CALLER:

Okay, but I do not want your rotten vegetable pizza!

I already take medication for my cholesterol.

FACEBOOK:

Excuse me sir, but you have not taken your medication regularly.

According to our database, you only purchased a box of 30 cholesterol tablets once, at The Chemist Warehouse in Maroubra, 4 months ago.

CALLER:

I bought more from another drugstore.

FACEBOOK:

That doesn't show on your credit card statement.

CALLER:

I paid in cash.

FACEBOOK:

**But you did not withdraw enough cash
according to your bank statement.**

CALLER:

I have other sources of cash.

FACEBOOK:

**That doesn't show on your last tax return
unless you bought them using an undeclared
income source, which is against the law.**

CALLER:

WHAT THE HELL?

FACEBOOK:

I'm sorry, sir, we use such information only with the sole intention of helping you.

CALLER:

Enough already!

I'm sick to death of Google, Facebook, Twitter, WhatsApp and all the others. I'm going to an island without internet, cable TV, where there is no cell phone service and no one to watch me or spy on me.

FACEBOOK:

I understand sir, but you need to renew your passport first. It

expired 6 weeks ago...
