Inspiration...

Format your description with [Markdown](#). Here are some tips:

```
## Headline
**bold**
_ italics _
[link](http://foo.bar)
![Alt text]
(/path/to/img.jpg)
```

Get fancy with syntax highlighting:

```
```ruby
require 'redcarpet'
markdown =
 Redcarpet.new("Hello
World!")
puts markdown.to_html
```
```

Try it out

FAQs

Can I still edit my submission after I've submitted?

- Yes! You can still edit your project after you've submitted, so submit as soon as possible!

What if my project isn't finished?

- No worries, we want to see what you worked on. Submit anything to be eligible to win prizes!

How do I win category prizes?

- You need to specify the 1 category you are competing for on Devpost.

What if I submitted my project and forgot to opt in to a category prize?

- You can still choose to opt-in to prizes after you've submitted your project up until the submission deadline.
