

STUDENT	Link here please	What's your remix? What's your grade? Mine is not remixed - It is a C+
Mr. Hodgkinson	My Game	No remix - C+
Abdul-Ghafar, Mateen (20) Link doesn't work Make up later please	Rock Blaster	
Alba, Sarah (15) Great fun What's your mark?	Starfish Blaster	Remix I changed the background to a underwater reef I changed the rocketship into a starfish I changed the rocks into divers I changed the laser into a fish I changed the sound effects Grade: B+ or A-
Aoun, Kareem (14) Love it That was fun Thanks	Obliterate	Remix I changed the score I changed the background I changed the theme I changed my spaceship I changed my lazer I changed my rocks I added more music I out a you lose and win screen The speed gets faster throughout the game Etc.. (I think) Grade=A or B+ but I personally think A
Burke, Tannor (8) Not submitted	Game	
Grayston, Giovanna (26) Absent Make up for a mark later please		
Henke, Lauryn (5) Click Share What's your remix What's your grade	Rock blaster on Scratch (mit.edu)	
Hill, Spencer (13) I like it Boss was easy to beat, are you still coding that? What's your mark?	Yay I'm done	Remix I added score (not quite a working scoreboard) Changed background Paly quit screen Changed lazars Changed spaceship Changed rocks

		Added music Win lose screen Intro Outro Boss fight (the mix of cone and animation is SOOO laggy so don't judge I can't control lag)
Holden, Payton (4) Absent Make up for a mark later please		
Jeyabalan, Rohit (26) I can't mark it if it doesn't work Let me know when you fix it.	Rock blaster	Remix I added score Moves up, down, straight , and back. Try very hard, best of luck and some sounds. A.K.A real rock blaster video game .Also A,B,or B+
Kang, Jaspinder (21) Love it Thanks	Rock blaster 2.0	Remix: I changed the backdrop to a nebula theme. I changed the rocks into donuts. I changed the rocketship to a magic wand. I changed the sound effects. I think an A- would be best.
Kassar, Majdoulyne (3) I love it What a remix Took me by surprise.	Wetland Survivor	I added background music I changed my background I changed my sprite I changed the rocks I made it so you have to touch bugs to gain the points You have to maneuver your way through the beasts I added a Lose Screen I made it so you can move with the mouse-pointer I made the beasts move the face expressions I added a sound affect There is no laser things I changed the direction the original rocks came from I added another sprite I made the bugs move in random speeds and the beasts Grade: A+
Khan, Afsa (18) Smash that Share Button	Afsa Blaster	Remix I changed the backdrop I changed the rocketship to an alien I changed the rocks to astronauts I added a costume change I made the speed change when the score reached a certain point. I added music in the background Grade: A
Mansour, Jawad (25) Wow, that's a bit of madness when you press M Great job What's yer grade?	Rocket blaster	Remix I changed the background to galaxy I changed button 2 into a sprite i made I changed the rocket ship into a dragon I put a special effect when they press "m"

Masih, Roman (10) Fun remixes I almost didn't see it I only saw the first one when I checked.	Rock Blaster	Rock Blaster 2 : Revenge of the Sharks I changed the background to underwater. I made the rocks into sharks. I changed the laser and gave it a sound effect. I made the sharks faster. I added a game over sound effect. I also added a different kill sound effect. I added a starfish which gives 400 points instead of the normal 100. I added a "You Lost" screen. A- or A
Mesanovic, Zejna (19) Hit the Share button so I can see it please What is your grade?	Beach fight	I switched my backdrop to the beach I switched my rocket ship to a toucan I switched the rocks to doughnuts I also added in a sound for when you die in a game I would give myself a 3-
Moar, Samara (12) Still some issues with this. Hopefully, we will have time to fix them this week.	Rocket Blaster S.A.C	I added music to my project, I also added a different space background other than star's, I also added another music loop, the loop play's when the rocks start coming at you, I named my game Rocket Blaster S.A.C.
Revesz, Lisa (17) I like it Music is fun Love this remix	Water surface slash!	I changed the appearance of my roket (a dog on a cookie) I also made the laser a cookie and the rocks cats (Idk why).when the cats are shot they explode and I have music playing.(there are big and small cats,the big ones are blue and pixelated and the small ones are normal). B
Rinawi, Soliman (22) What is the secret boss fight? You'll have to show me Love it though.	Shrek 4: Attack of the Boulders	I added a secret boss fight, a menu screen, changed the background, used a different sprite that kinda looks like shrek, I added a win screen (after secret boss fight), I added a boss health tracker, music, sound effects, I added a title ("Shrek 4: Attack of the Boulders"), different background for the boss fight, and a power up when you click 1. To get to the secret boss fight you must type a word I say a lot that starts with b. A or A+
Shah, Mikul (7) Play game or bad - Incredibly Influential Gamer Great stuff Thanks	Boom Boom	- New ship - Rocks get progressively faster - Title screen shows up for a moment - Win screen - Lose screen - Background music - New SFX - Special Rock Notifier - Special Rocks that give 1000 points - Boss Battle at 10000 points that contains an enemy that bounces around and the boss has 100 health (you don't have to hit it 100 times). A+
Tsang, Carmona (16) Smash that Share Button	Game	I added new backgrounds, new characters and new lasers. I also added more sound effects, more different codes to make the game much more interesting. I made the code that pressing the space key will have hearts coming out

		which is for the cat while pressing the right arrow for the dragon. Grade A-
Vandermay, Brooke (11) Thanks for trying the remix Sorry we couldn't figure it out	hey.	
Vokshi, Risi (1) 	Cheesy Puffs: The Attack of The Hands	• Changed my ship into a bowl of cheesy puffs! • Added rainbow hands that give 300! • The rocks slowly get faster! • Lose Screen! • Win Screen! • Music that stops when you lose/win! • Boss Hand (bigboi) at 20,000; feed it until the food capacity reaches 5000! • Secret easter egg ;)! • Changed my background into the inside of a bag! • Extra Background for the boss fight! • Changed my lasers into cheesy puffs! • Changed my rocks into hands! • Warning sign before bigboi spawns! • Made a cover (Look to the left)! A+
