Figure or Table Number:

“Official” title for this figure or table (from the caption):

My (simplified, decoded, in regular language) title for this figure or table:

Analysis of the figure or table:

When we analyze the figure or table, we conclude:

Was the hypothesis supported? Why or why not?

The following issues are ones of concern to me (these can be things you don't understand, or criticisms of the method, questions for the authors, or anything else that comes to mind):
