

## **God's Invisible Creation**

Does God have any creation other than our visible world?

Who are the inhabitants of the invisible world?

What special reason have we for believing the existence of angels?

Are the angels created beings?

What do the scriptures teach regarding angels as to their number?

What do the scriptures teach regarding angels as to their rank?

What do the scriptures teach regarding angels as to their nature?

What do the scriptures teach regarding angels as to their office and work?

In what moral state were the angels when God created them?

What, then, did God do through the angels?

Of what value to us is belief in the angels and their ministry?
