Synopsis

For Evelyn II is a story-driven adventure RPG, taking place in the fantasy world of Aura, a place of magic and mysteries. Following the events of the previous game, For Evelyn, the story will take us into a time of war and destruction. The Warwitch Covenant declared open war on The Watcher Order, and everything that started with For Evelyn, will end here.

Zhen-Rei (Protagonist)

Age: -20 years

Sex: Non-binary

Voice: Feminine preferred. Reference: P'li, Legend of Korra

Description: A scout of The Watcher Order, a prodigy within their skillset. Determined and clever, sometimes witty and over-confident.

Lines:

Zhen-Rei, waking up: "Ugh... Wait... Where is everyone?"

Zhen-Rei, questioning: "I'm... Not sure. I can tell that it's very powerful."

Zhen-Rei, angry: "Damn it all! I was too late..."

Zhen-Rei, sad: "I tried, you know? I really tried."
