Talk about the process of becoming a firefighter.

	Guide	Time	Important Source
Introduction	Good afternoon/morning South house. My name is Saul Alvarado and my presentation will be about the process about becoming a firefighter.	30 sec.	1: Research
Verification (Steps to check for student understanding)	ginning of Presentation: What do you guys know about firefighting? Does anyone know about the process of becoming one? End: Check for understanding by asking if students have any question or	1 min	
Body (Give and/or demonstrate necessary information)	Break down what you plan on talking about into manageable sections.	Literal: 3 min	Visuals Powerpoint maybe.

Literal: It's difficult and demanding and anything else I've learned from my research like: earning degrees helps and physical requirements.

Interp: 1 min

Applied: 2-3 min

Interpretive:
Mostly research because there is a lot information out there.

Applied: My working EQ is how to become a firefighter and I'm presenting on what is the process that firefighters had to go through to become one.

Conclusion

I hope you guys learned something today and Thank you for listening to my presentation on the process of becoming a firefighter.
