

Harper ISD SHAC meeting 10/18/23 Notes -recording posted to website

- I. Welcomed all attendants- in attendance - Deb Pascarella, Ghada Sargeant, Rosanna Strickland, Kelly Beyer, Susan Henderson, Amy Marbach, Jordan Moody, Amanda Tatsch
- II. Introductions
- III. Discussed New 3908 Act for the dangers of Opioid curriculum required for grades 6-12
We looked at 3 different curriculums that were found online and recommended by Region 15.
The CATCH program is already in place with K-8th grade and we chose HOPE curriculum recommended by Region 15. There was concern it did not go far enough with discussing other drugs available to our students. I will get with Officer Strickland and see what are the predominant drugs in Gillespie County. Presentation of recommendations to the board in November. Mandy Tatsch will help present.
- IV. Discussion to try to encourage our students to Hydrate better, suggestions of a chart for each class and do a competition, possibly announcing it on the daily announcements. Jordan Moody is going to work on the particulars for next spring.
- V. Possibly trying to get our puberty talk in before the Christmas break to catch that age earlier.
- VI. Next SHAC meeting February 21, 2024
- VII. Adjournment

Addendum - 10/23/2023 - TSNO is working with TXAF, Texas against Fentanyl to have a curriculum for all Texas Schools to use for free. We will discuss those results in February.
