

Celebrating Women Who Inspire Us

Countries celebrate International Women's Day in early March.

The lessons on Kids Boost Immunity celebrate top women leaders with a passion for science or math.

Celebrating women's accomplishments helps give credit for their ideas and innovations.

Think of a woman you admire:

- a family member or friend
- from your community
- famous
- is good at something you also really like to do

Create a piece of work about this woman:

- art/digital art, song, poem, collage
- written piece
- other form of presentation (check with your teacher)

Marking criteria -in your work, you have made clear: (Total 10 marks)

- The woman chosen and field of accomplishment /3 marks
Examples - business, health, athlete, education, home-caregiver, food, arts, and many more.
- Why or how the accomplishments were achieved /3 marks
Examples - works hard, kind, smart, loving, passionate about this area, likes helping others, creative, collaborative, good at business.
- Personal characteristic you admire /3 marks
Examples - works hard, kind, smart, loving, passionate about this area, likes helping others, creative, collaborative, good at business.
- How you are inspired by this woman /1 mark
