Welcome to the Kimberly High School Social Studies Department! My name is Mr. Schulz and this will be my first year teaching at KHS. In addition to teaching, I am also one of the football and basketball coaches for the high school.

I graduated from the University of Wisconsin—La Crosse in 2014 with an undergraduate degree in History, and a minor in Political Science. I completed my secondary education teaching licensure program at Metropolitan State University of Denver in 2021.

I love teaching Social Studies and cannot wait to begin the year! Our classes will focus on our country's history/political system and world geography to teach students about fundamental concepts of people, places, and how we all interact.
