d@nny: yeah sure
d@nny: i can play with subatomic particles
j3rdegree: ok continue then?
j3rdegree: oyah ._.
d@nny: i have the power of quantum mechanics
j3rdegree: then how r u antimatter?
j3rdegree: . . .
d@nny: i didnt
j3rdegree: how did u transmutate into antimatter...
d@nny: at this point
d@nny: is anti matter
j3rdegree: waitwaitwait
d@nny: my ENTIRE BODY

j3rdegree: yummy?
j3rdegree: o.o

d@nny: then what are you doing
j3rdegree: *dashes at danny
j3rdegree: i know
d@nny: all energy will be redirected jer
j3rdegree: *takes a blue energy arrow and fires 10 t danny all around him
d@nny: gauss= magnetic power-
d@nny: -increase mag fields gauss-
j3rdegree: here we go
j3rdegree: *rolls to the right

j3rdegree: *gagrganta 30 ft from danny
d@nny: -converts body to anti matter-
j3rdegree: u still are stiff as a board
d@nny: -puts anti gravitons in my body-
j3rdegree: if i get close quarters combat u done
d@nny: ofcourse now i cant start any new transmutations

j3rdegree: not for long it aint
d@nny: my mind is still in perfect order
j3rdegree: hmhhh...
j3rdegree: *lives in a paste body covered in skin
