D Dsus2 D E6sus2/C#
Ice cold wind as the carollers sing, on the doorstep out in the snow

Fire so bright, it's a wonderful life, everybody keeps telling me so

And when I see your starry eyes under that mistletoe

You make me wanna sing, let the jingle bells ring

People rushing home to spend the night with family

Fairy lights hung, every carol's been sung

To those who can't be here tonight, I hope Heaven's decking the halls

Raise a glass to everlasting love for one and all

Leave a reindeer treat, only one more sleep 'til Santa comes to call!
