

Subscription Service Concept: "Sentience Study"

Tagline: What does it mean to be You?.

Overview

Sentience Study is a monthly microdosing subscription that combines curated microdoses with live weekly integration calls and personal biweekly FaceTime sessions. Ideally, Sentience Study is combined with a 4 day Retreat, but all levels of curiosity are welcomed. Designed for individuals seeking conscious transformation, clarity, emotional healing, and enhanced creativity—backed by expert support and compassionate care.

What's Included (per month):

1. "Sentience Sprinkles": Microdose Kit

- 30-day supply of "Sentience Sprinkles" microdoses (100mg capsules) a sample of 5 different strains to see which one works best with you particular brain chemistry.
- Customizable stack blends with Lion's Mane, Cordyceps or Niacin

2. Weekly Call (Phone)

- 30-minute themed integration and support call
- Topics include: Emotional regulation, Internal family Systems discovery, trauma release, mindset reprogramming, intention setting, consciousness and presence cultivation.

3. Biweekly 1-on-1 FaceTime or Zoom Somatic session.

- 60-minute personal support and somatic session.
- Tailored coaching, breathwork, somatic care, self regulation care or therapeutic integration
- Same practitioner for continuity and rapport

Schedule Example:

Week	Activity
Week 1	1-on-1 FaceTime
Week 2	Personal Call
Week 3	1-on-1 FaceTime
Week 4	Personal Call
