

Cary Wiedeman 1967

Cary moved into Mt Greenwood and started Morgan Park as a Junior so did not know many people at MPHS. He was a very quiet and nice guy but also very shy.

He lived a few doors from me and I tried to help him break into school but it is tough when you come in late. Cary was a member of my church, Mt. Greenwood Lutheran.

Cary became a Chicago Police Officer and was very proud to be a member of the Force. He died far too young.
