1. Always be respectful and considerate of those around me.
2. Help and participate during lunch packing meetings.
3. Do my best to help provide the club with the necessary food and supply donations for every meeting.
4. Be respectful of the supplies that we use for packing lunches (no eating the food, keep the caps on markers, etc.)
5. Listen to and respect board members.
6. Listen to and respect fellow club members.
7. Make sure to follow all of the steps when packing lunches so that there are no missing items.
8. Make sure to maintain proper food handling protocols (long hair tied back, wear plastic gloves, work on clean surfaces, etc.)
9. Notify board members when I have questions or concerns.
10. Have fun!
