## APPLICATION

I would like to request archival research on the history of my family. My great-grandfather Franz Ignatievich Kasperovich, a Catholic, was born in 1869 in the Dombrovo settlement of the Borisov district. He owned 25 acres of land. In 1895 he married Maria Nikolaevna Nekhvyadovich, an Orthodox. She was born approximately between 1871 and 1883 in the village of Gorno (today it is a village of the Pleshchenitskiy district, Minsk region). They had children: Anton (born in 1896, my grandfather), Ivan (born in 1897), Maria (born in 1899), Ignatius (born in 1901). Franz Kasperovich was employed as a forester by a local landowner Prushinskiy. My great-grandfather had a brother Alexander, who emigrated to America in the early twentieth century. **(for customers: please, include all known information about your ancestors prior to 1917).**
