

### **MHBC Finger Lakes Trip Oct 17-20, 2024**

The MHBC is in the initial stages of planning a road bike trip to the Finger Lakes area. The trip will be October 17-20 and be based in Ithaca, NY, home to Cornell University and Ithaca College. Most likely suggested accommodations will be in downtown Ithaca. There should be some beautiful, late season fall foliage at that time.

The club would like to get a gauge of interest in this trip. Anyone who is seriously interested in joining should email Ron Wechsler at [wechsler.ron@gmail.com](mailto:wechsler.ron@gmail.com).
