

## Water Footprint Pre-Activity

**Name:**

Demographics:	How Many:
Family Members	
Meat Eaters	
Vegetarians	
Vegans	
Cars Owned	
Pool	

Is your pool covered (circle one) ? Yes                      No                      Don't have a pool

What state do you live in:

Does your family reuse greywater?

Does your family collect rainwater?

For the chart below, record your own activity measurements.

### Domestic Household Water Use

Activity:	How Many (Per Day)	How Many (Per Week) <small>Hint: Multiply Per Day by 7</small>
Baths		
Shower Time (Mins.)		
Laundry (Loads)		
Washing Dishes (Loads/Times)		
Water Lawn		
Washing hands in sink (Mins.)		

Use this data to calculate your family's water footprint. (See Water Footprint Calculator Worksheet).
