

Eco-lens |Capturing Change

Environmental Photography Competition

About:

Unleash your creativity and advocate for environmental awareness through the lens of photography. Join us for our Environmental Photography Competition, where we invite you to capture the essence of environmental change and action.

Theme:

Explore the diverse facets of environmental issues and initiatives, from the pressing challenges of pollution, waste management, and climate change to the inspiring stories of places that have improved through conservation efforts and community action.

Categories:

- Pollution Perspectives
- Waste Management
- Climate Chronicles
- Conservation Success Stories

Prizes:

Cash prizes for winners in each category
Opportunity for your work to be featured in departmental publications and exhibitions

Submission Guidelines:

Open to all students, faculty, and staff

Submit your photograph(s) by **10th April** to

<https://docs.google.com/forms/d/1EL5-QqRtFJ1WXJlrs89ZQLP2hh4V7xjahNnwa0YCLQU/edit?ts=65fd2f71>

Include your name, contact information, and category in your submission

Provide a short caption (max 50 words) with each photograph, sharing the story or context behind the image.

Judging Criteria:

- Creativity and originality
- Relevance to environmental awareness and the chosen category
- Technical skill and composition
- Impact and storytelling

Spread the Word:

Share your passion for the environment and photography by inviting friends, classmates, and enthusiasts to participate. Together, let's raise awareness and inspire action through imagery.

Capture Change, Inspire Action!
