

Dear Parent/Carer,

As your child is now a considerable way through their GCSE studies it is vitally important that they begin their revision in preparation for their mock examinations (week beginning 3/11/2025) and their summer GCSE examinations.

In order to support your child's preparation for the November mock examinations and the summer 2025 GCSE examinations, expert teaching staff will be providing revision masterclasses during the first of the two week October break, as shown on the timetable below.

These sessions are specifically targeted towards students, who, with a little more support from teaching staff are likely to see an increase in their attainment or cement their current grades. The sessions take place during the week 20th- 24th October, years 7-10 will not be in school this week.

Your child will be invited to attend one or more of the following revision masterclasses:

All students have been made aware of which session/sessions they should be attending.

In order to get the most from these sessions it is vitally important that you support our revision masterclass sessions by encouraging your child to attend. A daily text message reminder will be sent out to remind students to attend.

Attendance to masterclasses is a significant factor in improving overall attainment, across all subjects.

Thank you for your on-going support,

Mr D. Vaughan
Assistant Principal
