**How do users access [CDSS Bright Track \(BT\)](#)?** Users must create an account before registering to complete an online course. Instructions on creating a user account and registering for an online course are available in the [video tutorial](#). Detailed instructions on how to navigate the CDSS BT platform are available in the [Quick Start Guide](#). The access code to register for a course is **CACFP**.

**Who can create a BT account?** CDSS BT accounts may be created by key staff from institutions that have an agreement with the California Department of Social Services (CDSS) to operate the Child and Adult Care Food Program (CACFP) and cannot be created by vendors, day care home providers, or staff at sponsored centers. Access the [CDSS CACFP Training web page](#) for information on BT account guidelines, a link to the [CDSS BT Civil Rights Training online course \(in English and Spanish\)](#) for staff who do not have access to the CDSS BT training platform, and other free/low-cost CACFP and nutrition training opportunities.

The audience for BT courses is all institutions unless a specific audience is noted in the 'Description' column.
