

End of Pilot Visit/Call

Checklist:

1. Communicate that:
 - We have come to the end of the study now which means that the online groups won't continue each Wednesday or Friday
 - We are doing some other projects and would like to keep in touch so we could perhaps invite them to take a look at our research in future
2. Send or take with and complete the [participant profile questions](#)
3. Have a conversation to complete the [evaluation survey](#) including additional end of pilot questions
4. Check they would still like to keep the ipad and complete the ipad gift form
5. Router - are we leaving it there or taking it away. What do we need to tell them about the sim card etc?
