

Privacy Policy for Johnny's Village Run

Effective Date: July 27, 2025

Gift Game Studio values your privacy. This Privacy Policy explains how we collect, use, and protect your information when you use our mobile game.

Information We Collect

- **Personal Information:** We do not collect personally identifiable information such as your name, email, or address.
- **Non-Personal Information:** We may collect anonymized data, such as game progress, scores, and device information (device type, OS version), to improve game performance.

How We Use Information

- To enhance user experience
- To improve game performance and features
- For analytics and troubleshooting

Third-Party Services

Our game may display ads or use analytics tools provided by third-party services (e.g., Google AdMob, Unity Ads). These services may collect information according to their privacy policies.

Children's Privacy

Our game is designed for general audiences and does not knowingly collect personal information from children under 13.

Data Security

We take reasonable measures to protect your data. However, no method of transmission over the Internet is 100% secure.

Changes to This Policy

We may update this Privacy Policy from time to time. Changes will be reflected with a new "July 27, 2025."
