focal point name	
email address	
phone number	

This notice offers a range of options for your involvement in SDP with a focus on women and people of diverse gender identity who use drugs. Images and content, once published, will become part of the public domain. Please consider any potential consequences to yourself or to your family, now and into the future.

- I have read the above, understand and agree to take part in promotion activities connected with WHRIN advocacy for the Support Don't Punish with a Focus on Women and People of Diverse Gender Identity who Use Drugs, 2023.
- I agree to having the images used for campaign purposes targeting UN agencies, drug policy forums and via partner harm reduction, drug policy and other relevant agencies.

Please circle the options that apply to your preference below.

- I agree to use of my image Y/N
- I agree to use of my image in non-identifying (face blurred) format. Y/N
- Other (please specify):

  _____

  _____

  _____

Please tick as appropriate
