2022 Chinese Family Camp Registration Information Packet

Director's Note

Hello! This is Camp Director Lawrence Wang letting you know that registration for CFC 2022 is open! We will be holding our 64th annual session on July 17-24, 2022 (Sunday to Sunday). We are very excited to finally get together in person at our new location this year at the [Cedar Lake Ministries](#) retreat facilities in Cedar Lake, IN about [35 miles southeast of Chicago](#). Cedar Lake has over 100 years of history hosting retreats, conferences, and conventions. Located on a lake, campers will have access to a wide range of [activities](#) such as kayaking, ping pong, basketball, and more.

We welcome all families and individuals who would like to combine their interest in Chinese heritage and culture with the fun of a week-long summer camp. Expect our annual traditions of dumpling making, swimming, Field Day, Festival Night, and spending time with our multi-family, multi-state, multi-generational, and multi-ethnic family.

What's New

Attendance Options

This year we will be offering two different attendance options. There is, of course, the standard full week option of Sunday night through Sunday morning. For those of you who can't make it the whole week, we also have a partial week option, which starts on Wednesday after dinner and goes through Sunday morning. If you have questions about the attendance options, please contact the registrar at registrar@chinesefamilycamp.org.

Check-in

Check in will be run by Chinese Family Camp at Cedar Lake's Rest-A-While Lodge on Sunday the 17th from 3:45-4:45pm and Wednesday the 20th from 6:00-7:00pm. More detailed directions and arrival instructions will be sent out by email prior to camp.

Registration

We're going fully digital! The registration form is online [here](#). If you have questions about the online registration process, take a look at the [online registration instructions](#). If your questions aren't answered there, feel free to reach out to Elysa, our online registration wizard, at president@chinesefamilycamp.org.

2022 Family Information Packet

This year we're collecting family photos *before* camp so that when you arrive we can all put names to faces. We will put the photos together in a family information packet that will include names, recent family/group photos, and short bios provided during registration. Please either upload a current family photo to your UltraCamp account (see [online registration instructions](#) for more information) or send a digital photo to registrar@chinesefamilycamp.org once you've registered.
