|               |                                                   |        |                                  |
|               |                                                   |        |                                  |
|               |                                                   |        |                                  |

These suggestions are intended to help you save time on pacing, as needed. These lessons or activities were selected with the criteria they could be taught out of order from the guide and taught as independent lessons by a substitute. Great for a sub folder without risking important content being delivered by a guest teacher. Have more suggestions? Let us know!
