

Nomen: _____

Monstrum et Cibus Assessment

S3 I can demonstrate understanding of authentic and adapted Latin passages when read.

Answer FOUR of the five questions by circling the correct answer. You may answer all five for back-up credit.

Ecce monstrum! Monstrum quinque oculos, unum maximum nasum, multos dentes, et arborem in capite habet. Stomachus monstri magnos sonos facit – monstrum esurit. Subito monstrum aliquid olfacit - est cibus! Cum monstrum cibum olfacit, monstrum est valde laetum.

Ecce puer. Puer cibum vendit, sed puer non potest videre. In canistro est pecunia, sed est non multa pecunia. Quod non multa pecunia est in canistro, puer est valde tristis.

1) Which of the following Latin words is NOT a body part?

- | | |
|--------------|-----------|
| a) arbor | c) oculus |
| b) stomachus | d) dentes |

2) Which of the following sentences implies that the monster is hungry?

- a) in canistro est pecunia, sed est non multa pecunia.
- b) puer non potest videre
- c) ecce puer
- d) stomachus magnos sonos facit

3) Based on the passage above, which of the following is **FALSE** about the monster?

- | | |
|------------------------------|----------------------------|
| a) it has a tree on its head | c) it has a very big nose |
| b) it only has four teeth | d) the monster smells food |

4) According to the passage above, the monster is happy, because _____.

- | | |
|-------------------------------------|-------------------|
| a) there is money in the canister | c) he is hungry |
| b) he is able to pay with his teeth | d) he smells food |

5) In the sentence *Puer cibum vendit, sed puer non potest videre*, the word *cibum* means _____.

- | | |
|----------|--------------|
| a) money | c) teeth |
| b) food | d) something |

S4 I can provide accurate, written translations of authentic and adapted passages in Latin.

Select THREE of the following four sentences to translate into English. You may do more as back-up credit.

1) Monstrum dat multos dentes puero.

2) Puer putat dentes in canistro esse pecuniam.

3) Monstrum dat duos oculos puero.

4) Cum puer videt monstrum, puer monstrum timet.

F5 I can understand cognates and borrowed words.

Choose **SEVEN** words to match with its definition, based on its Latin root and meaning. You may answer more than seven for back-up credit. NOTE - not every answer is used.
