

I DRINK WINE CHORDS by Adele @ Ultimate-Guitar.Com **CHORDU=**

[Verse 1]

A **E** **F#m**
How can one become so bounded by choices that
somebody else makes?
D **A** **E**
How come we both become a version of a person we
don't even like?
A **E** **F#m**
We're in love with the world but the world just wants to
bring us down
D **A** **E**
By puttin' ideas in our heads to corrupt our hearts
somehow
A **E** **F#m**
When I was a child every single thing could blow my
mind
D **A** **E**
Soaking it all up for fun but now I only soak up wine
A **E** **F#m**
They say to play hard, you work hard, find balance in the
sacrifice
D **A** **E**
And yet I don't know anybody who's truly satisfied

[Refrain]

A **C#7**
You better believe I'm trying (Trying, trying)
F#m **E**
To keep climbing (Climbing, climbing)
D **E**
But the higher we climb feels like we're both none the
wiser

[Chorus 1]

A **E** **F#m**
So I hope I learn to get over myself
D **A** **E**
Stop trying to be somebody else
A **E** **F#m**
So we can love each other for free
D **A** **E**
Everybody wants something, you just want me

[Verse 2]

A **E** **F#m**
Why am I obsessing about the things I can't control?
D **A** **E**
Why am I seeking approval from people I don't even
know?
A **E** **F#m**
In these crazy times I hope I can find something I can
cling onto
D **A** **E**
'Cause I need some substance in my life, something real,
something that feels true

[Pre-Chorus]

A **C#7**
You better believe for you I've cried (I've cried, I've cried)
F#m **E**
High tides (High tides, high tides)
D **E**
'Cause I want you so bad but you can't fight fire with fire

[Chorus 2]

A **E** **F#m**
I hope I learn to get over myself
D **A** **E**
Stop trying to be somebody else
A **E** **F#m**
Oh, I just want to love you, love you for free
D **A** **E**
'Cause everybody wants something from me, you just
want me
[Bridge]
A **E** **F#m**
Listen, I know how low I can go, I give as good as I get
D **A** **E**
You get the brunt of it all 'cause you're all I've got left
A **E** **F#m**
Oh, I hope in time (Hope in time) we both will find (We'll
both find) peace of mind
D **A** **E**
Sometimes the road less traveled is the road best left
behind

[Chorus 2]

A **E** **F#m**
Oh, I hope I learn to get over myself
D **A** **E**
Stop trying to be somebody else
A **E** **F#m**
Oh, I just want to love you, love you for free, yeah
D **A** **E**
Everybody wants something, you just want me
