

Name: Renee G. Chapman

Species: Human

Height: 6'0"

Body Type: Tall, athletic. Lean muscle. Moderate bust and hips.

Hair: Dark brown, shaved on the sides, braided down the middle to just past her shoulders.

Eyes: Dark brown

Age: 35

Sexuality: Bi/pan

Occupation: Private Investigator (Sometimes moonlights as a demon hunter/vigilante)

Likes: Climbing things, alcohol, black coffee, figuring people out, leather, red, gold, anything queer/punk/anti-establishment, dogs, cats

Dislikes: Religion, cigarettes, people she can't pin down, manipulative people, having to sit still, capitalism, racism, queerphobia, lizards

General personality: Undiagnosed ADHD and generalized anxiety disorder, wary of new people, and will tend to make assumptions about people affiliated with certain groups she doesn't like, but will quickly update those assumptions given contrary evidence. A bit rough around the edges but secretly a big sweetheart.
