This is a list of things I **DON'T** have in my catalog at all, and also where/how to get them. Blank sources mean they can be bought in the local shops on Main Street, and be reordered.

An **asterisk** (*) indicates that I personally want one for my or one of my character's homes. Otherwise, I am content to just picking it up and putting it down to get it recorded in my catalog.

I have enough money to buy all the Gracie items, so don't worry about those.
